Hi Cliff,

Thanks for reaching out. We're certainly able to make a different date work if the ones I proposed don't work out. Just let me know and I can make sure everyone from EPA is able to attend.

Hello Kevin,

I'm waiting to hear back from the group and council on this meeting, I think like you said with holiday and different vacations figuring out a date is a little harder, but I will give it a few more days and see if one of these dates will work or if we might have to propose a different one.

Please call or email with any questions as well, thanks.

Hi Cliff,

Following up on our call from earlier, I wanted to propose a couple of times that EPA could meet with the Seneca Nation regarding the Sandstone Development UIC Permit. Scheduling the meeting may be a little difficult because of Memorial Day and summer vacations but I was able to find 3 meeting times that work for us. Hopefully they work for the Nation as well. Those dates are listed below:

Monday, June 7 <sup>th</sup>	1:00 PM
Thursday, June 10 <sup>th</sup>	9:00 AM
Wednesday, June 16 <sup>th</sup>	3:00 PM

I also attached the Permit Application for Sandstone for your review.

As always, please don't hesitate to reach out if you have any questions or comments.

Best regards,

**Kevin Rowsey**
